Why Plant in 80602?

- **Growing Population.** The Brighton and Thornton area is experiencing rapid population growth, with families and young professionals flocking to this region. As of the latest census, zip code 80602 has seen a significant increase in residents, creating a diverse and expanding community eager for spiritual connection and guidance.
- **Young Families and Professionals.** The demographic profile of 80602 is particularly appealing to church planters. The area boasts a high concentration of young families and professionals. These groups are often searching for a strong community foundation, support systems, and meaningful spiritual experiences for themselves and their children. Your church can be the beacon of hope and faith they seek.

Why is a Church Needed Here?

- **Community and Spiritual Growth.** Despite the growth in population, there is a noticeable gap in spiritual resources and community support. Many residents express a desire for more local churches that offer vibrant worship experiences, community outreach programs, and engaging youth ministries. Your church can fulfill this need by providing a welcoming and supportive environment for individuals and families to grow in their faith.
- **Cultural and Economic Diversity.** The 80602 area is characterized by its cultural and economic diversity. This creates a unique opportunity for a church that celebrates diversity and promotes unity within the community. By planting a church here, you will have the chance to engage with people from various backgrounds, fostering an inclusive environment that mirrors the love and acceptance taught by Jesus Christ.

Take the Step of Faith

The Brighton and Thornton area is waiting for a church planter like you to make a lasting impact. With the support of the Rocky Mountain Network, you will have access to resources, training, and a community of fellow church planters dedicated to spreading the Gospel and nurturing faith.
